FENCE TESTERS FENCE ENERGIZERS

As a leading Chinese manufacturer of electric fences, H.P.S. Exports its products around the world.
Our goal is to achieve a “one-stop” service for farmers.

COMPANY PROFILE

WELCOME TO HANGZHOU OPUS FENCE SUPPLIES CO.,LTD

H.P.S. was created in 2013 with the aim of our main products being farm tools. Since then we have gradually moved into the plastics and electronics industries by constantly developing electric fencing products. As a leading Chinese manufacturer of electric fences, H.P.S. Exports its products around the world.

Through technological innovation and product optimization, we continue to improve our products. We offer a wide range which include insulators, fence tools, fence testers, fence energizers, and accessories. We export our technology worldwide.

We are not only sales exporters, but are the manufacturer of the majority products we sell. We have our own factory set up with the purpose manufacturer only for H.P.S.. We have worked in cooperation with our customers to meet their needs which have also witnessed our growth. We treat every customer's enquiry with honesty and integrity to allow us to answer each customer's question with the best solution at the most competitive and reliable price, and to the most attentive service to meet customers' requirements. Our goal is to achieve a "one-stop" service for farmers.

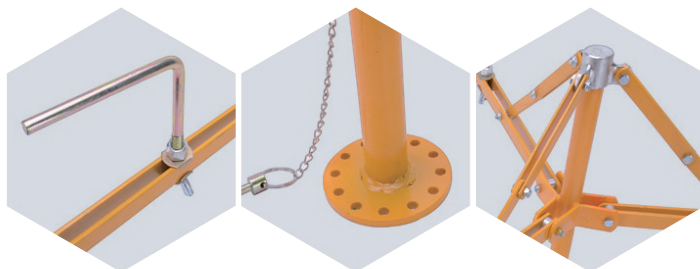

WIRE SPINNER

WD-FT007

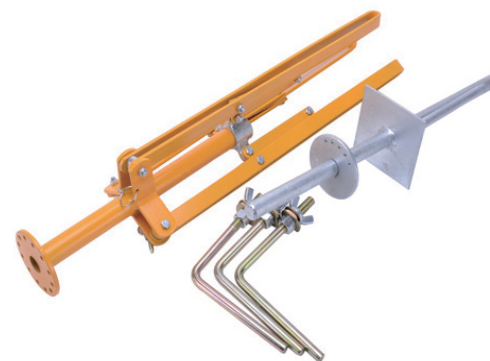

Features

- ✓ The bottom supporting legs made from heavy wall RHS keeping the dispenser stable.
- ✓ The frame is made from two sections one completely cradling the wire, one on top as a skid rail totally avoiding unwanted tangles.
- ✓ Heavy duty clutch spring to keep tension on your wire.
- ✓ Positions for two rolls of barb that can be dispersed at once or one at a time.
- ✓ A tie down point to the front of the spinner to allow the operator to drive and spin off wire.
